Second Court of Appeals
Trial Court Case:BS140207
Court of Appeal Case:B327355
Case Caption:Bat World Sanctuary v. Cummins
Filing Date:02/21/2023
Notice Date:02/27/2024

I am Defendant pro se Mary Cummins. I just filed a Motion to Recuse, Set Aside Orders in the underlying trial case BS140207. This was in response to Judge Escalante's orders including the two February orders striking the transcript and modifying the settled statement for Appeal. I'm requesting a stay until the Motion to Recuse, Set Aside Orders can be heard. I'm also requesting that the transcript be part of the appeal along with the Motion to Recuse, Set Aside Orders just filed in the case.

The reason there was no official transcript is because Judge Escalante lied at the hearing stating no request was made for a Court Reporter. That is absolutely false per the request filed with the court and the audio, transcript of the hearing. Judge's assistant and Defendant both corrected the Judge in the hearing when she stated there was no request. There was. The Judge is the reason why there is no official transcript. I gave legal notice in the motion that the hearing would be recorded. It was recorded and a transcript was made. I will be deprived of a fair trial without the transcript. Thank you.

Sincerely
